PROFESSIONAL SUMMARY

Creative graphic designer with 3+ years of freelance experience (Fiverr Level 1 Seller) delivering brand identity, marketing, and social media design for clients worldwide. Skilled in logo design, stationery/business kits, flyer and campaign assets, and social media content, with a strong focus on visual consistency and brand guidelines. Proficient in Adobe Illustrator and Photoshop, with a keen eye for aesthetics, typography, and layout. Comfortable managing multiple projects independently and to deadline, taking creative direction, and collaborating with clients and cross-functional teams to deliver visually compelling solutions.

DESIGN SKILLS

- Design Software: Adobe Illustrator, Adobe Photoshop, Figma, Canva.
- Design Disciplines: Brand & Logo Identity, Stationery & Business Kits, Flyer & Print Marketing, Social Media Content, Visual Strategy.
- Brand Consistency: Applying and maintaining brand guidelines across multi-format campaigns.
- Layout & Typography: Strong eye for composition, color theory, and visual hierarchy.
- Workflow & Delivery: Managing multiple design projects and revisions to meet tight deadlines.
- AI-Assisted Design: Using Claude AI and ChatGPT to speed up concepting, mockups, and iteration.

EXPERIENCE

Freelance Graphic Designer — Fiverr.com (Level 1 Seller)

2023 – Present

- Delivered logo design, brand identity, stationery, flyer, and social media design projects for clients worldwide, reaching Level 1 Seller status through consistent quality and on-time delivery.
- Maintained brand consistency across multi-asset projects, applying client brand guidelines to logos, business cards, letterheads, and marketing materials.
- Independently managed client communication, creative direction, revisions, and final file delivery across all projects.
- Designed high-conversion marketing assets including flyers, social media templates, and campaign graphics for businesses across multiple industries.
